Dear Eleanor Shaw

With regards to the above planning application, I have been instructed by my client, Mr Michael Day, to request that the
planning decision be deferred by three weeks.

Mr Day is now employing the services of S M Peatfield, Planning consultant, with a view to understanding Hinckley & Bosworth
Borough Council's objections and reservations and hope a compromise can be reached.

Could you please contact me at your earliest convenience to confirm your acceptance of this request.

Regards
