Good morning

With regard to the above appeal, I would be grateful if the parties could provide the following information:-

A list of witnesses that you each intend to call, including those who may not submit a proof of evidence;

An estimation of the time that you will need to present your case. This should be broken down into the following:

- opening the case;
- evidence in chief for each witness;
- cross-examination of each witness; and
- closing submission

I look forward to hearing from you within the next 7 days.

Regards
