This Comment was not someone else it was me using my own email address. I responded as I was sent a letter informing me of the planning application. Unfortunately I was not able to respond within the 21 days due to an accident resulting in a shoulder injury, Thanks, Dennis Frazer

Need Further information, with regards to height, area covered, access and use, to comment further. As the Lead Officer for Burbage Common and Woods, I need to know more about how this will affect access to burbage common and visitors centre and how it will affect the appeal of the area to visitors.
