Dear Sir

RE: Ecology Report - Proposed extension, 39 Glebe Road, Hinckley, Leics.

Following our recent conversation with respect to the above property, I have inspected the roof eaves and attic areas for any signs of bat or bird activity and can confirm that there are no signs of either and therefore conclude that the proposed extension will not have an adverse effect on ecology.

I trust that this will satisfy your query and please do not hesitate to contact me if I can help further.

Yours faithfully

M Horsley
For and on behalf of
