14th April 2012

Please find attached a cheque in the sum of £85 for the discharge of planning conditions two (building materials and four (floor levels).

I am awaiting material samples in the post for the brick and the roof slate and will forward these asap. I'm not 100% sure then exact name of the brick but I will confirm this Monday 16th April and forward a sample if required. The slate will be a Spanish grey slate to replicate a welsh slate and the original roof slate for the housing in this area. Windows will be white upvc, soffit and fascia will be white upvc with black upvc gutters and rainwater pipes.

I will email Eleanor and Robert the revised drawings to reflect the materials on Monday/Tuesday 16th April. I hope this is not inconvenient.

I hope the application is in order and look forward to your approval.

Your Sincerely
