Comments

Submission Type:
Customer objects to the Planning Application.

Comments:
This Council strongly objects to this application. (a)This land is in the parish of Ratby (b) Present infrastructure will not support this development (c) Existing road will not support an additional 700 vehicles. Ratby Road leads out on to dangerous

bend adjacent to two colleges where there has already been one fatality. Majority of Ratby students cycle or walk to school (d) Proposed development outside the settlement boundary. Ratby has already had another development recently passed - 36 dwelling houses and 14 apartments (e) Destruction of green space which at present exists between the villages of Ratby and Groby.
(This was Motion was passed at Ratby Parish Council Extraordinary meeting held on Wednesday 22nd July 2009 at 7.45pm)
