Hello Debbie,

Lee from Savage Hayward has contacted me regarding the above application. We've had a look at the plans and the dwelling and feel that a Trigger J - Watching Brief, will be sufficient. Although this is in an area that features potential bat foraging and is aproximately 190m from a known bat roost Lee tells me the roof space is converted and has a velux roof light, therefore a survey will not be required on this occasion.

Let me know if you have any queries.

Thanks,

Mark.
