Dear Sir/Madam

APPLICATION NO : 11/00692/HEDGE
NOTIFICATION OF INTENT TO REMOVE A HEDGEROW
THE HEDGEROW REGULATIONS 1997
ENVIRONMENT ACT 1995 SECTION 97
Highfields Farm Wykin Lane Stoke Golding Nuneaton Leicestershire

I refer to your recent notification under the provisions of The Hedgerow Regulations 1997 of your intention to remove a hedgerow(s) on land at **Highfields Farm Wykin Lane Stoke Golding Nuneaton Leicestershire**.

From a recent assessment to the site I am able to confirm that the hedgerow is not 'important' as defined by Regulation 4 of the above regulations. Therefore I hereby notify you on behalf of the Local Planning Authority that the proposed removal may proceed.

You should be aware that this approval only relates to the length of hedgerow(s) described in your original notification. You should also be aware that this approval does not give any consent for the removal of a hedgerow or hedgerow tree which is included within a Site of Special Scientific Interest as defined under The Wildlife and Countryside Act 1981 or which is the subject of a Tree Preservation Order or which requires a felling licence from the Forestry Authority under the Forestry Act 1967. In addition if the removal of the hedgerow is likely to affect a Scheduled Ancient Monument then the prior written approval of The Department of National Heritage is required.

The removal of the hedgerow in accordance with this notification should be carried within a period of 2 years beginning with the date on which the removal notice was first received by the Local Planning Authority.

Yours faithfully

SIMON WOOD
