Dear Ms Perrin

EXTENSIONS AND ALTERATIONS TO DWELLING
31 HERALD WAY, BURBAGE

Your Council recommended refusal of this application on the basis of the design and potential visual impact of the proposed extension. After careful consideration it was concluded that the extension would be well set back (more than 3 metres) from the front main wall of the dwelling and would not be visually intrusive but would allow the theme of this staggered frontage. Futhermore the proposal incorporates design features from both the application dwelling and others in the wider street scene. On the basis it was concluded that the proposal is satisfactory and planning permission has been granted accordingly.

Yours sincerely

C.C.M
