Subject: 26/00195/FUL - Land at Inglenook Farm, Leicester Road, Barwell - Application Update
Attachments: Response_2026-0195-04-R1.pdf

Hi Martin,

Sorry for the delayed communication on this application.

I still need to get out to do an inspection of the site before making a determination on this one. I expect I will do this either Wednesday or Thursday next week.

If there are likely to be any impediments to accessing the site on either of those days, please let me know.

Additionally, I note that LCC Ecology maintain a holding objection to the proposal at this time. Please see attached their latest response.

Kind regards,

Ashleigh Gade
