Hi Martin,

Sorry for the email confusion! Rudi let me know that I've been emailing a defunct email for you, sorry about that it seems we noted the wrong one down on the file system we're using here and I didn't pick up on it.

What I was emailing about was the Ecology response which I have attached, and about the accessibility of the site for a site visit. I would likely visit on a Wednesday or Thursday afternoon, but can give a more precise time if there would be any constraints to access.

Kind regards,

Ashleigh Gade
