Comments Details

Comments:	Past agricultural use of the site may have impacted the soils. I recommend the following conditions: CONTAMINATED LAND C174. Land Contamination a)No development approved by this permission shall be commenced until a scheme for the investigation of any potential land contamination on the site has been submitted to and agreed in writing by the Local Planning Authority which shall include details of how any contamination shall be dealt with. b)The approved scheme shall be implemented in accordance with the agreed details and any remediation works so approved shall be carried out prior to the site first being occupied. NTA 50 - Contaminated Land (1) In relation to conditions X and X advice from Environmental Health should be sought via esadmin@hinckley-bosworth.gov.uk to ensure

that any investigation of land contamination is in accordance with their policy.

C75. Land Contamination Found Later
a) If during development, contamination not previously identified is found to be present at the site, no further development shall take place until an addendum to the scheme for the investigation of all potential land contamination is submitted to and approved in writing by the Local Planning Authority which shall include details of how the unsuspected contamination shall be dealt with.
b) Any remediation works so approved shall be carried out prior to the site first being occupied.

Kind regards
