Subject: RE: Decision Notice- 25/00913/FUL Upper Pullins Farm & Discharge of Conditions Application direct to HBBC.

Hi Rudi,

The main access is shared with Vale Farm so on bin day the bins which are kept within the residential curtilage of Upper Pullins Farm are simply wheeled to the shared access on Stoke Lane (edge of adopted highway) for pick up, and then returned and stored within the residential curtilage.

Kind Regards,
Simon
