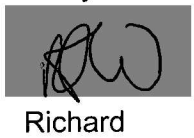
Re: 14 Main Street, Botcheston, Leicestershire LE9 9FF

I attach a copy of an application and supporting documentation for a Certificate of Lawful Use to certify that the extension on this dwelling has been used as a granny annexe for a period of over ten years. As long as the annexe is tied to the existing dwelling I do not foresee any other problems in this case.

I would be grateful if you could assess the application accordingly and, should you consider the case to be proven or otherwise, suggest appropriate wording for the Certificate/Decision.

Many thanks



Richard
