Dear Scott,

Further to your email yesterday, please find attached our revised drawings in respect of the above application, which are listed as follows:

- 07 77 03Q - BLOCK PLAN
- 07 77 05S - PROPOSED PLANS & ELEVATIONS
- 07 77 12B - PROPOSED GARAGE PLANS & ELEVS
- 07 77 18A - SITE LAYOUT PLAN SHOWING PROPOSED & EXISTING

Generally the above drawing revisions have emerged as a consequence of the alterations to the design of the garage, as well as its repositioning on site. In addition, we have altered the location of the dwelling on site, and understand from discussions with our Arboriculturalist, that this would improve its long term relationship with the retained trees. At the same time, our client has taken the opportunity to incorporate some minor design alterations, these being:

- The substitution of the sliding folding doors to the Sun Room with French doors.
- The lowering of the window cill to the West Elevation of the Lounge
- The repositioning of the main entrance door in the entrance porch.
- The alteration to the design of the chimney.

I trust that these minor alterations are acceptable.

Kind regards
Martin
