FAO – Joanne Orton

Further to your receipt of your letter dated 18 April 2011 to Mr & Mrs Pollard received yesterday I attach revised drawings for your attention as follows:

1. Site location plan now scanned in colour with the site outline in red clearly shown
2. Windows added to the ground floor plan to correspond to elevations
3. Existing and proposed elevation to nr 4 Nicholas Drive now added. As you will note there is no visual change to this elevation as a result of the proposals.
4. The Block plan has now been adjusted to reflect the ground floor layout

I trust everything is now to your satisfaction and the application can now be progressed

Kind Regards

Tom Shipman BSc (Hons) MRICS
