Dear Sirs

Re: creation of hard surfacing to provide additional temporary parking area at Verdon Trading Ltd-Church View-Dragon Lane-Newbold Verdon-Leicester

Further to our telephone conversation 05:01:09 I can confirm having agreed with the client to retain/rebuild the existing stone retaining wall along the pavement line and erect the new fence 400mm back to allow for plants between. Due to retention of stone wall the concrete gravel boards will not now be required, the timber fence will be 2M high measured from the higher ground level.

Please note that due to me having problems with my computer I am not able to amend and print off, or email, my drawing. So, I attach 4No copies of an A4 detail section of the plan which I have amended by hand, to this fax for expediency to enable you to process the application before 08:01:09, as requested.

I hope that the above is satisfactory and that you will be able to issue the approval notice accordingly, but should you require any further information please do not hesitate to ring me.

Thanking you in anticipation,

Yours sincerely

Ken Walton
