Dear Miss Shaw

Mr and Mrs Warren, East Lane, Bardon Hill, Coalville

Following your response of 27th October relating to the above, I have again been contacted by my constituents with respect to their concerns relating to the certificate of lawful use application (subsequently withdrawn) by Mr and Mrs Warren.

I am informed that Mr and Mrs Warren have submitted a new application for a certificate of lawful use which I am led to believe was submitted before the date of your response.

My constituents state that there are five sections in the planning application which have been completed incorrectly and they feel strongly that protocol has not been fully adhered to. They also inform me that there has been no neighbour consultation on this recent application.

I would be grateful for your comments on my constituents' concerns outlined above.

Thank you for your help in this matter. I look forward to hearing from you in due course.

Yours sincerely

David Taylor
