Bradgate Landfill Site Bradgate Hill Groby Leicester Leicestershire

Part II -

That the Leicestershire County Council be advised that Hinckley & Bosworth Borough Council has the following comments to make:-

1. Whilst the Borough Council is disappointed that the final restoration of the site is to be delayed it understands this has been caused by unforeseen settlement, groundwater and leachate problems associated with the landfill. Premature tree planting may result in landscaping restoration having to be repeated. The Borough Council would urge that this final restoration be undertaken as soon as possible following stabilisation of the groundwater and leachate issues.
