For the attention of Mr Simon Wood

10th May 2011

Dear Mr Wood

Ref: 11/00296/FUL and 11/00297/CON

Further to my letter of 7th May 2011.

After some discussion with other residents of Park Street, it was pointed out that St Peter's Church already has a considerable sized meeting place for holding any necessary conferences for the Diocese and it also comes complete with toilet and refreshment facilities.

Although this important detail was not specified in our letters delivered to the council offices on Monday 9th May, please take this fact into consideration when the applications are discussed.

Yours sincerely
