

This contractor is responsible to ensure that no products are to be utilised that do not comply with relevant British and/or European Standards and/or Codes of Practice, CDM and Regulations, Construction Regulations, or which are not approved by the relevant authorities. The contractor shall be responsible for ensuring that all materials and products used are of the highest quality and are suitable for the intended use. The contractor shall be responsible for ensuring that all work is carried out in accordance with good building practices. The contractor is responsible for checking dimensions, tolerances, levels and references. This drawing is to be read in conjunction with all relevant drawings, including but not limited to, the site plan, the site survey, the site or stop drawings. Where an item is covered by drawings to different scales, the larger scale drawing is to be worked to. This drawing and the copyright and patents therein are the property of Surveyors to Education Ltd and may not be used or reproduced without consent or attribution.
