Dear Mrs Shaw

RE: SIBSON MILL, OUTBUILDING, WELLESBOROUGH ROAD, APP NO: 11/00430/FUL

I understand that you have been away from the office during the period when we forwarded the Contamination Report for this site. It was a large file 18mb and you may not have got it through your network gateway.

I enclose a CD of the report from which you will note that there are no issues raised. I would be grateful if you could determine the application as soon as possible bearing in mind the time involved to date.

Please let me know if you need anything further.

Yours sincerely
For and on behalf of
RITCHIE & RITCHIE LLP
