A/O Mr Majiet Bahgozeh
9 Castle Street
Hinckley
LE10 1DA

Dear Majiet.

9 Castle Street, Hinckley, LE10 1DA.

I refer to our telephone conversation on Wednesday, 17th August 2011.

I have been in contact with the Hinckley Environmental service today. The premises is registered as a foods premises and I can confirm that their records are updated that the premise are no longer: Fife Butchers Ltd / Hot Food.

I spoke to Mr Nick Cox about the A3 licence. He confirmed due to the fact that the premises have been changed, planning permission should of been requested before any alteration / changes within the premises. I explained to Mr Nick Cox that I and nor you were aware of the planning permission.

Mr Nick Cox advised me that you can apply online by going to the Hinckley and Bosworth Council Website. Make a planning application. Planning portal. Register your details. You will receive a reference number. Please make a note of this reference number. Then you have to draw a floor plan to scale which should be handed in with the reference number and the fee of £335.00 to Hinckley Bosworth Council. Mr Nick Cox made notes on the account of the situation.

I hope this is all clear for you. Any problems please do not hesitate to contact Mr Nick Cox at the planning department at Hinckley and Bosworth Council, 01455 255 749.
