Part I - Particulars of Application

Date of Application	**Application No.**
22 April 2009	09/00305/TPO

Particulars and location of proposed work :

WORKS TO 3x ASH TREES

27 Peckleton Lane Desford Leicester LE9 9JU

Part II

The tree(s) affected by the proposed work is protected by the Land at 27 Peckleton Lane; Tree Preservation Order 2001.

Part III - Particulars of decision

The Hinckley and Bosworth Borough Council hereby consents to the work proposed in the application referred to in Part 1 hereof in accordance with the application form and plans submitted, subject to the following conditions :-

1. Works to be limited to the removal of dead wood and broken branches require cleaning out on Ash tree T1

2. Works to be limited on T3 to crown lifting to 4m by removal of secondary branches from the underside of the low limb spreading towards the highway. Ivy should be cut at ground level and stripped late. The crown to be thinned by 10-15% to create an improved branch structure.

IMPORTANT - PLEASE READ THE NOTES AT THE END OF THIS DOCUMENT

3. Works to be limited to the removal of Ash tree (T2) only. The tree shall be replaced by planting of 1no. Prunus "Tai-Haku" (Great White Cherry Tree) with a 10-12cm stem girth. To be planted during the next planting season.

4. All works hereby approved shall be carried out in accordance with BS 3998 'Recommendation for Tree Works'.

The reasons for the conditions are :-

1. The maintain the visual amenity of the surrounding area.

2. To maintain the visual amenity of the surrounding area.

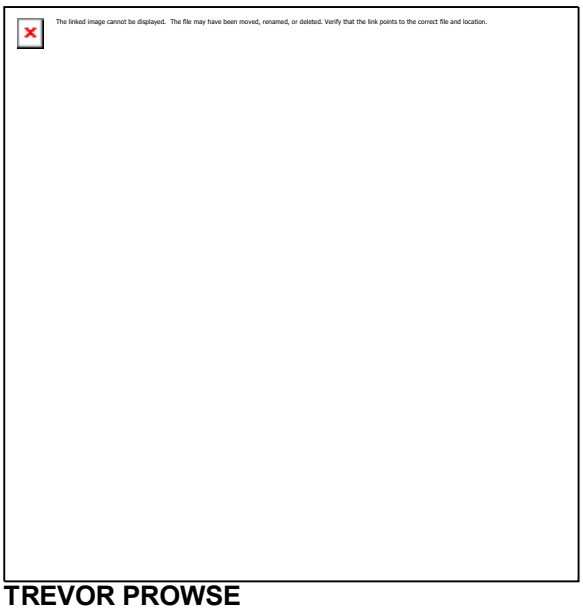
3. To maintain the visual appearance of the surrounding area.

4. To ensure all work is carried out in a satisfactory manor.

NOTES TO APPLICANT :-

1. It is a criminal offence to damage or destroy a bat roost. Therefore, if the tree is mature and has hollow cavities and / or is covered with ivy, or has suitable places in which bats might roost, we recommend that it be surveyed for bats before any work is carried out to the tree. All birds, their nests and eggs are protected by the Wildlife and Countryside Act. We recommend that work to trees is done outside the bird-nesting season - i.e between the end of August and beginning March. If work to the tree is to be undertaken during the bird breeding season, we recommend that a suitably qualified ecologist surveys the tree for nesting birds. If nesting birds are present, work must be postponed until the young have left the nest.

Date :- 16 June 2009



TREVOR PROWSE
PROPER OFFICER OF THE COUNCIL

NOTES

1. Please quote the application number in all correspondence.

2. This decision relates either to tree(s) protected by a Tree Preservation Order or to tree(s) not so protected but which are situated in a Conservation Area. You will see which is the case by referring to Part 11 Overleaf.

3. Tree protected by a Tree Preservation Order

(i) Where the Council has refused consent under the order or has granted such consent subject to conditions, or where the Council has given any certificate or direction, the applicant or the person directed, if he is aggrieved by their decision, or by any such certificate or direction may by notice appeal to The Planning Inspectorate. (Notice of appeal must be given in writing within 28 days from receipt of notification of the decision, and should be addressed to The Environment Team, The Planning Inspectorate, Room 4/04, Kite Wing, Temple Quay House, 2 The Square, Temple Quay, BRISTOL BS1 6PN

(ii) if any person suffers loss or damage in consequence of any refusal of consent under a tree preservation order or of any grant of such consent subject to conditions, he may be entitled to recover from the Council compensation in respect of such loss or damage provided that a claim is served on the Council in writing within 12 months of the decision of the Council or of The Planning Inspectorate on appeal and provided that the Council has not certified:

a) that the refusal or condition is in the interests of good forestry or
