Dear Ebbony

Further to our conversations this morning, I think it wiser at this stage to withdraw my application for extension of planning permission for the erection of one dwelling on land at Springfield Road, Hinckley, Leicestershire.

I understand should I wish to continue with this application I will need to re-submit:-

- copy of previously submitted application to replace extant planning permission re-dated
- copy of previously submitted unilateral Undertaking taking out one of the alternatives in clause 4 and re-dated

You will also require:-

- GBP200 legal fee
- most up to date copy of the title

and that no further GBP170 fee will be required as this has already been paid.

I understand that I will need to submit these in good time to enable the process to progress such that my current planning permission does not expire.

Kind regards
Anne Knight
