
Area 1 / 8 – Soft Landscape Plan

The two main areas as you enter the zoo are Area 8, a thickly planted screen of native shrubs and trees that will prevent public access to the main zoo site and Area 1 a small area of amenity grass.

Shrubs and Trees for Area 8:

Ilex aquifolium	Holly
Quercus ilex	Evergreen Oak
Acer campestre	Field Maple
Carpinus betulus	Hornbram
Crataegus laevigata	Midland Hawthorn
Euonymus europaeus	Spindle
Corylus avellana	Hazel
Quercus robur	English Oak

Area 1 – Amenity Grass:

Amenity Grass Area
