
Area 3 – Soft Landscaping Plan

The area to the east of the wader exhibit of Himalaya will require very little work, evergreen shrubs will be added to the existing hedge line to provide shelter and the remaining area will be seeded with a native grass mix and then plug plated with wildflowers and bulbs.

Shrubs / Trees:

Quercus ilex	Evergreen Oak
Ilex aquifolium	Holly

Native Plant to be plugged in grass:

Primula veris	Cowslip
Pilosella aurantiaca	Fox and Cubs
Leucanthemum vulgare	Oxeye Daisy
Trifolium ochroleucon	Sulphur Clover
Gallium odoratum	Woodruff
Ranunculus acris	Meadow Buttercup

Bulbs:

Narcissus ‘Segovia’

Crocus ‘Barrs Purple’
