
Area 9 – Soft Landscaping Plan

This area includes the attenuation pond and thickening to the existing hedge line. The area surrounding the attenuation pond will be seeded with native grasses and then plug planted with native marginal and aquatic plants.

Marginal & Aquatic Plants:

Succisa pratensis	Devil's Bit Scabious
Ranunculus lingua	Greater Spearwort
Caltha palustris	Marsh Marigold
Valeriana dioica	Marsh Valerian
Lychinis flos-cuculi	Ragged Robin
Iris pseudacorus	Yellow Flag Iris
Althea officinalis	Marsh Marigold
Geranium sylvaticum	Wood Cranesbill

Bushes / Trees:

Crataegus monogyna	Hawthorn
Sorbus aucuparia	Mountain Ash
