**Part II -**

**That the Leicestershire County Council be advised that Hinckley & Bosworth Borough Council has the following comments to make:-**

1. The application proposes alterations to the sites vehicular entrance from the A5 and the submitted plan suggests that roadside vegetation will be cut back to facilitate the newly aligned vehicular access. Whilst this work is necessary to ensure adequate provision in terms of highway safety, the loss of the vegetation without suitable replacement is considered unacceptable. Therefore, I would recommend that additional landscaping to the sites frontage be provided either as a new or stocked boundary hedgerow or as part of a comprehensive landscaping for the sites frontage (i.e. within the site).
