Description

Square Post and Rail Fencing Kit

Our Square post and rail fence **sold per metre**. All timber is pressure treated to ensure maxium life and protect against rot and insects.

Fencing Kit Includes:

- > 1.8m Long x 125mm x 75mm fence posts (this provides 0.6m to concrete into ground) and supplied every 1.8m.
- > 3.6m long x 88mm x 38mm fence rails.
- > 100mm Galvanized nails.
- > All timber is pressure treated for longer life.

Fence posts supplied every 1.8m. posts should be concreted into the ground 0.6m (2ft) which will leave 1.2m (4ft) above ground and fence rails should be spaced evenly. Simply select how many rails high and adjust the quantity box to how many meters you would like to purchase. We will do the rest.
