Dear Sir

ERECTION OF NEW SPORTS PAVILION, BARTON ROAD, MARKET BOSWORTH, LEICESTERSHIRE
PLANNING APPLICATION 08/01117/FUL

I refer to your recent visit to the Borough Council Offices in connection with roofing materials for the above development.

I can confirm that the Local Planning Authority has no objection to the use of Sandtoft Britlock, dark grey tiles as an alternative to the already approved Redland examples.

Thank you for keeping the Local Planning Authority advised of changes to this scheme.

Yours faithfully

Chris Merriman
Senior Planning Officer
