23 February 2009

Dear Ms Horton

FORMER ATKINS FACTORY, LOWER BOND STREET, HINCKLEY, HINCKLEY AND BOSWORTH, LEICESTERSHIRE

Application No. 09/00003/LBC

Thank you for your letter dated 3 February 2009 consulting English Heritage on the above application for Listed Building Consent.

Having raised concerns regarding elements of the proposed works, specifically the proposed removal of painted finishes from those areas which had historically been painted, I understand that the works have now been amended to omit these works.

On that basis I am writing to confirm that we believe the application should be decided on the basis of National Government guidance in PPG15, local policy guidance, and on the basis of your specialist conservation advice.

If you would like further advice on this application, please contact us to explain your request. Please re-consult us if there are material changes to the proposals. If, in due course, your Authority is minded to grant consent, please forward this letter to the Government Office in line with Circular 01/2001 paragraphs 26-28.
