Afternoon Lewis, Hope you're well.

Please see the attached updated on-site design. Once reviewed could you confirm if you wish to utilise VM services on-site please?

I will be able to offer a rebate of £125 per plot and all on-site civils / cabling materials will be delivered free of charge.

Thanks
Rich

Morning Patrick,

I believe we would be able to lay that duct.

Kind Regards,
Lewis Pritchard

Morning Lewis,

I hope you are well.

I am redesigning the Virgin Media services on site, and I have a query regarding boundaries.

The previous developer on site included the new footway into site, as part of their boundary, but Owl Homes have not.

Can I confirm with you, if you are able to lay the blue 2w duct, shown on 'Site Civils v2' into site, or do you require Virgin Media to complete these works?

Many thanks,
