GLENFIELD FLUSH SASH CASEMENT WINDOWS SPECIFICATION

Our quotation includes for windows to our "Glenfield" flush sash specification. Timber is preservative treated and carries our thirty year guarantee against rot and fungal attack. Windows are fully compliant with the requirements of the NHBC and manufactured to BS644 Part 1.

ALL DIMENSIONS SHOWN IN THIS QUOTATION ARE FINISHED, MANUFACTURING SIZES.

We have also allowed for the following features:-

- Cills 69 x 92 (standard flush) finish.
- Timber bead all round.
- All sashes are beaded externally for glazing.
- All window cills have window board grooves.
- White weatherseal.
- Select push-button locking fasteners.
- Polished chrome fittings.
- Windows 911mm wide and above will be fitted with two white Titon R16 Select vents to achieve 9200EA air flow, with one vent fitted to achieve 4600EA air flow to smaller windows. PLEASE NOTE: SOME WINDOWS, DUE TO DESIGN OR SIZE CONSTRAINTS MAY NOT HAVE VENTS INCLUDED - WHERE APPLICABLE, THIS IS DENOTED BY THE ITEM.
- All side hung sashes are on stainless steel, easy-clean reflex hinges.
