Mr Hicks
Hinckley and Bosworth Borough Council
Town and Country Planning

Dear Mr Hicks,

Ref: Application no. 09/00033/ADV

I am writing with regards to the planning conditions for 12 Stockwell Head, Hinckley, LE101RE.

Please find enclosed the example of the colour coated pressed metal sign. The RAL numbers that we will be using are 8019 for the background and 9001 for the writing and telephone number.

We have taken your advise and are lighting the sign from behind. Unfortunately we can no longer afford the sign that we originally wanted, so the proposed new sign will be very similar to the sign that it is replacing from the shop before. It will be only 1 inch in difference to that sign. It is a low profile, illuminated sign and is also very similar to the sign on the shop next door(the bicycle shop). The sign will project out 100mm. The sign will be as it is in the architects drawings but without the lighting from above and with the telephone number on-this will be on the right hand side of the sign.

I hope this example is satisfactory and that it all meets your requirements.

If you need any further information please do not hesitate to contact me, my contact telephone number is 07811100261.

Many Thanks and I look forward to hearing from you soon,

Yours sincerely

KK Nation
