Mr Hicks
Hinckley and Bosworth Borough Council
Town and Country Planning

Dear Mr Hicks,

Ref: Application no. 09/00032/FUL

I am writing with regards to the planning conditions for 12 Stockwell Head, Hinckley, LE101RE.

Please find enclosed examples of the aluminium frame for the shop front and for the door. The other example is for the colour coated pressed metal cladding. The door will be as it is in the architects drawings. The RAL number that we will be using is 8019 for the colour coated metal cladding. We are no longer going to have security grills on the inside as they don't protect anything.

Thank you for giving us permission to change the shop front, it will make a big difference to the shop and I hope you agree that it will vastly improve the look as well.

I hope these examples are satisfactory and that it meets your requirements. I hope that you can see from Nigel Axon's (AxonBeckett) drawings of the salon that we are improving the shop and the local area.

If you need any further information please do not hesitate to contact me on 07811100261.
Many Thanks and I look forward to hearing from you soon,

Yours sincerely

KC Nation
