Thank you for your letter of the 14th Dec 09 enclosing the Householder planning forms, these are enclosed with this letter duly completed on the original form and 3 further copies. I confirm that you already have 4 sets of the drawings as existing and proposed, site location and design and access statements with photographs. I have explained to Mr Wright that the form submitted to you with the application was that supplied yourselves and I assumed to be read with the application 09/00782/CL

Following a further conversation with your Mr Wright that application 09/ 00782/ CL be withdrawn as suggested so that no refusal is issued. I also understand that the 2 fees of £75.00 making a total of £150.00 is the correct fee for the application submitted. Also that a site visit has been made and no alterations to the submitted drawings are needed.

I shall be pleased to assist with any further queries if necessary and visit with you on site or meet at your office.

Sincerely yours,
