

24/00993/DISCON

Supporting information

Play Area/Open Space Sign – will be installed to the access/exit as part of the play area design to include minimum details:

- Name of Park
- Contact Details for management & maintenance
- No Dogs Allowed / safety age group users

Temporary Path

The temporary path will only be used for a maximum of 3 years to enable residents to access the open space or sooner if phase 1 is completed earlier).

Should the proposed phase 2 be refused, the original permanent path will be fully implemented and usable prior to completion of Phase 1

MyPad will be responsible for the maintenance of the temporary path - Contact details Emily Farr 0115 7848800
Emily Farr <Emily.Farr@mypadgroup.co.uk>

The permanent path will be the responsibility of Stonewater (01202 319119).

Clarification of Terminology

- Formal lawns are the cultivated turfed areas.
- Amenity grass is the larger POS areas (seeded grass areas).
- Edging lawns – see extract below, these are the strips/edges of grass.
