Dear Sirs

Planning Application At: Street Verge Rugby Road, Burbage, Leicestershire

National Grid acknowledges receipt of the notice for the planning application at the above location.

Please note the presence of our low pressure main crossing the proposed site. It can be requested that the affected main be diverted or isolated, these works will be fully chargeable. Please send through development plans so that we can send off to our diversion team to issue the budget estimate for any necessary works.

Enclosed is an extract from our mains records in the location of the area covered by your proposals, together with a comprehensive list of precautions for your guidance. This plan shows only those pipes owned by National Grid in its role as a Licensed Gas Transporter (GT). Gas pipes owned by other GTs and also privately owned may be present in this area. Information with regard to such pipes should be obtained from owners. The information shown on this plan is given without obligation, or warranty, the accuracy thereof cannot be guaranteed. Service pipes, valves, siphons, stub connections, etc, are not shown but their presence should be anticipated.

Your attention is drawn to the information and disclaimer on these plans. The information included on the enclosed plan should not be referred to beyond a period of 28 days from the date of issue.

Please do not hesitate to contact me if you have any further enquiries.

Yours faithfully
