

<u>Our Project</u>	Demolition of existing buildings, refurbishment of an existing building and erection of workshop buildings (Use Class B20 with ancillary offices and welfare floorspace, parking and new access		
<u>Location</u>	Midland Distribution Centre Markfield Road Grobby LE6 0FS		
<u>Planning Ref</u>	20/01284/FUL	<u>Approval Date;</u>	13th December 2023
<u>Subject</u>	Discharge of Conditions attached to the Planning Consent		

Condition 13 Prior to development above slab level a scheme for the installation of electric vehicle charging points will be submitted to and approved in writing by the local planning authority. The scheme shall identify the number of units to benefit from electric charging points, together with full detail of the location and fitting of the units.

Response to Conditions

- 1 We attach Drawing Number ATC 1140.04(c) showing the proposed position of the four electric vehicle charging points in the car park to the new Keltruck building
- 2 The proposed charger will be a Garo Pillar unit, one between two parking spaces, each with 2 x 22kW outlets metered. Ref LS4DCMT222LANUK. Two will be provided giving charging facility to four cars
