Thank you for your consultation on the above planning application.

Having reviewed the application against the Leicestershire and Rutland Historic Environment Record (HER), we do not believe the proposal will result in a significant direct or indirect impact upon the archaeological interest or setting of any known or potential heritage assets. We would therefore advise that the application warrants no further archaeological action (NPPF Section 16, para. 207-208).

Please do let me know if you have any further queries.

Kind Regards,

William
