ATTENTION JOANNE ORTON

Dear Joanne,

Further to your letter of May third I attach the following information;

1) A site location plan indicating the A447 and the site as a whole. My client only has an interest in the part of the site highlighted in Red.
2) A new drawing showing elevations at 1:100 scale when printed at A3.
3) The maximum illumination will be 200 candles. Only the lettering on the sign is illuminated.

I hope that this new information enables you to process our application.

Kind regards,

DAVID ADCOCK
