Comments Details

Dear Lesley,

23/00340/DISCON | Application to discharge C9 (Construction Traffic Management Plan) C11 (Waste and Recycling) C12 (WSI) attached to planning permission 19/01130/OUT | Laurel House 2 Main Street Bagworth Coalville

Having reviewed the submitted trial trenching report (ULAS Report Ref.: 2023-030), I can confirm that no additional archaeological involvement will be required. The trial trenching report has also incorporated a record of the significant structural features, as outlined in the condition (12) and the approved Written Scheme of Investigation.

Comments:

I note the report includes a commitment to OASIS reporting with the Archaeological Data Service (ADS) and an accession number for the Leicestershire Museums Service (LMS). The latter is supported by a description of the archive content and a note stating the intention to deposit the paper (LMS) and digital archive (LMS/ADS) in accordance with professional standards. These provisions are in accordance with the planning requirements and the abovementioned Written Scheme of Investigation.

I am therefore able to recommend discharge of the planning condition (12).

Kind Regards,

William

Kind regards
