Dear Eleanor,

RE: PROPOSED LOFT CONVERSION WITH ROOF ALTERATIONS, 11 NOOK CLOSE, RATBY.

With reference to the above and further to my conversation with your team leader Kathy Horton yesterday, I enclose 4no copies of our drawing nos. 2009/842/01B showing the 'street scene' corrected as per her requests.

I hope that this demonstrates that our proposed raising of the ridge will not be significantly noticeable when viewed against the neighbouring properties, especially bearing in mind the effect of perspective when considering that none of the three properties are in line.

My clients are desperate to be allowed to proceed with the project, as they cannot afford to move and this is the only option in terms of extending the property to give them a much needed additional bedroom.

I trust this meets with your satisfaction and look forward to receiving your decision in due course.

Should you have any queries, please do not hesitate to contact me.

Yours sincerely,

Andrew J Askey
