Dear Mr Wood

Town and Country Planning Act 1990
Appeal by Mr Stephen Goodman
Site at Land Off Merrylees Road, Newbold Heath, Newbold Verdon , LE9 9NR

Appeal heading

I am writing in connection with the above appeal, following an announcement by the Secretary of State concerning the revision of PPS3, the Government's Planning Policy Statement on housing. I attach an electronic link to the statement below.

The Inspectorate considers that, given the nature of the proposal the subject of this appeal and the policy context brought to the Inspector's attention, it is one to which the change of government policy may be relevant. Accordingly we would wish to hear your views and invite you to comment on how or whether the above change affects your case.

I look forward to hearing from you within the 14 days of the date of this letter. Please advise in writing, with reasons, if you consider that you will not be able to meet this timetable.

A letter in identical terms has been sent to the appellant. Your response will be copied to other main parties and it is possible that further representations may then need to be sought.
