Dear Sirs,

Re: Proposed Extension to 13 Squires Green, Burbage, Leicester

Please find enclosed the planning application for the above site. We currently have planning permission for a two storey extension (your ref. 07/01368/FUL), but we have resubmitted plans in order to make a minor alteration. We have proposed enclosed gates instead of the window on the approved plans. This is the only alteration to the approved plans.

Please take this into consideration when making your decision.

Yours faithfully,

Miss S Perry
