Subject: Planning Permission

08/0000/FUL

Dear Sarah,

We submitted plans for an extent ion to the rear of Markfield Plastics Ltd Bagworth LE67 1BN. The plans were submitted in September 2008 and cheque no 107827 for £2010.00 for the planning application was cashed on 20th October 2008. We did get the application rejected in the first instance due to not enough information being given but this was then rectified.To date we have not had any information as to where we are in respect of the plans being passed.

Could you please look into this for me.

Regards

Jeff Johnson
