Memorandum

From: **JOHN VERNON.**

To: DEBBIE BATES.

Subject: WORKS TO TREE, 54 MARIGOLD DRIVE, BURBAGE.

Your Reference: 08/00157/TPO. **My reference: UA/BBG/02/08.**

Date: 29 February, 2008

The Sycamore tree adjacent to the above location, is a fragment of what remains of the Merrifields T.P.O. It is a single specimen growing in the rear garden of No. 26 Merrifield Gardens.
Any lopping of the tree should be restricted to the cutting back of the overhang within the lower crown, with appropriate removal of branches on the opposing side, subject to the owners approval, in order to retain a balanced crown. The higher crown of the tree should remain untouched, otherwise this would lead to a disfigured appearance following the later re-growth at the tips of severed branches.

J.V.
