Sullevan Archer

Dear Sullevan Archer

Proposal: Hinckley and Bosworth Borough Council consultation 24/01099/REM - Approval of reserved matters (landscaping) on Hybrid application 21/01191/HYB for the erection of distribution and industrial buildings (Use Class B2 and B8) including ancillary offices.

Site Address: LAND AT PADGE HALL FARM, WATLING STREET, BURBAGE

I refer to your consultation of 17-Dec-2024 regarding the above.

At this stage Rugby Borough Council has no planning comments to make on the application and will be undertaking a full assessment of the site and the proposals under the planning application submitted to this Council, reference: R24/1126.

I trust this is useful.

Yours sincerely

Lucy Davison
