The problem with this plan, is that you cannot achieve the splay if four cars are parked as shown and there is no boundary treatment to the frontage at all, is this the intention?

Louise

Thanks Nigel,

LCC have come back to me today, they have requested a clearer plan that shows 2 x 2m on both sides of the driveway in terms of discharging the appropriate condition.

Please would you provide a further plan.

I will deal with the CONDIT application on the basis of this submitted plan.

Regards

Louise
